When you finish the Unified Chakra ground multi-dimensionally. Imagine a thick line of Light beginning at the Omega chakra (eight inches below your spine), extending upwards through your spine and on upwards into the upper part of the unified field. Ground into the vastness of your Spirit. Allow your Spirit to stabilise you. Run twelve lines of Light downward from the point of the Omega chakra, opening around your feet like a cone. You are not grounding into the Earth. You're stabilising yourself across the parallel realities of the planetary hologram.
